

Haringey Unearthed - Small, Emerging & Legacy Grant Application Questions

These questions should be treated as indicative and are subject to change

1. **What is your project?** Please describe what you want to create or deliver, including what will happen and what participants will experience. *(3,000 characters)*
2. **Why are you the best person or organisation to deliver this project?** Include background on yourself, your organisation or group, your goals or aims, and your experience in community work. *(2,000 characters)*
3. **Do you live or work in Haringey?**
 - I live in Haringey
 - I work in Haringey
 - Both – I live and work in Haringey
 - Neither – I do not live or work in Haringey
4. **If you do not live or work in Haringey, please state your connection to Haringey.** *(500 characters)*
5. **Why is this project important now?** *(2,000 characters)*
6. **How does it respond to the Haringey Unearthed themes?** *(1,000 characters)*
7. **How is your project connected to Haringey's communities, places, or stories?** *(2,000 characters)*
8. **Who will take part in or experience your project? How will you reach them? Do they include any of our priority groups?** *(2,000 characters)*
9. **When will your project take place?**
10. **Where will your project take place?** Please include the venue address and postcode. If a venue is not yet confirmed, explain what you are hoping for and/or which venues you plan to approach. *(500 characters)*
11. **Tell us roughly how much you will be applying for?** Do not include match funding, just the approximate amount you would apply for from Haringey Unearthed. You will only be asked for a detailed budget if you are invited to progress to Tier 2, the final stage of the application process.
